LEON COUNTY HEALTH DEPARTMENT OUTREACH CLINICS TO PROVIDE IMMUNIZATIONS FOR SCHOOL ENTRY

Prior to entry into kindergarten, all children must have the following immunizations: 5 diphtheria, tetanus, and pertussis (5 DTP/DTaP), 4 polio, 3 hepatitis B, 2 measles, 1 mumps, 1 rubella (preferably 2 MMR), and 1 varicella* (chickenpox).

In addition, students entering or attending 7th grade must have documentation of a 2nd measles shot (preferably 2nd MMR), hepatitis B series, and a tetanus-diphtheria booster (Td).

The Leon County Health Department will be providing special immunization clinics at various sites in our community during the summer months. These clinics will provide **free** immunizations for students needing immunizations for kindergarten or 7th grade entry. Any other child needing immunizations may also be immunized at the locations/times listed below. No appointment is needed for your child to be immunized during these special immunization clinics.

<u>Date</u>	<u>Time</u>	<u>Location</u>
